Description

FE3100BT S/S Three Door Bench Freezer 231L

FE3100BT is a strong three-door commercial workbench freezer with multiple accompanying features. This unit can hold up to 231 L in capacity, with dimensions set at 1795x600x860+50mm.

The interior is icy cold, meaning you can store stock and ingredients inside for the long term. These ingredients or meals can then be taken out later and still retain a fresh state. You can also use this interior to store other equipment or tools as well.

This classic workbench freezer is built with a stainless-steel interior and exterior, electronic thermostat, auto defrost, and fan-forced evaporator cooling.

Pick up one of FED ' s most reliable workbench freezers today!
